

VME FILM STUDIO

Press Release

Re: VME Film Studios On a Global Search For Scriptwriters for Feature Film

VME Film Studios part of the VME Production Company are looking for a small team of scriptwriters, to develop a feature length Hollywood movie.

London, UK (PRWEB) 18th, March, 2009 : VME Film Studios are looking for a small team of talented Scriptwriters to develop a Feature Length Movie for Hollywood. If you are a budding writer or formally trained with a gift for storytelling for screen we want to hear from you. VME Films have a panel of industry professionals who will Shortlist the Best Talent by reading samples of work. If selected you would be represented by VME Management and would work with VME Films to develop the Movie Script. <http://www.vmeproductions.com>

VME Film Studios are part of the VME Productions Group. VME Films are searching for 2 -3 Scriptwriters to develop 2 film ideas from Concept to full Script. VME Films are a new film division within VME Productions, built to pioneer great films for worldwide distribution. Ryan Allen CEO, of the VME Productions Group and the Production Department are working with seasoned Movie Making professionals in the USA and UK, to develop dynamic Movies with a clear message. If you are a keen Scriptwriter with a proven ability to write scripts, we want to read your work and give you the chance to shine.

VME Films and International Agents 'VME Management' are working together to find a Team of Talented Scriptwriters who show a clear, unique and dynamic ability to tell great stories for the Big Screen.

If you have 'samples' of work to send us, please follow our submission Guidelines:
